MINISTRY OF STEEL, MINES AND METALS

(Department of Iron & Steel)

(Iron & Steel Control)

Calcutta-1, the 7th July 1967

SUB: (1) Delay in shipment of goods due to closure of the Suez Canal—Extension in the period of validity of import licences.

(2) Increase in C.I.F. value of import licence due to surcharge on freight rate occasioned by the closure of the Suez Canal.

PUBLIC NOTICE

No. 29/IP(PN)/67.—Following the closure of the Suez Canal, shipment of goods from overseas countries is being delayed. In view of this, it has been decided that, in respect of all import licences the validity of which is upto any date during the month of June 1967, shipments may be effected upto 31st July, 1967 without any grace period. The licensees need not present their licences to the licensing authorities for endorsement in this regard and the Customs authorities will allow clearance automatically considering such licences as deemed to have been revalidated for shipment upto 31st July, 1967.

2. A surcharge on freight rate is reported to be levied in respect of consignments which, following the closure of the Suez Canal, are to come to India via the Cape of Good Hope from overseas countries. Importers, who have to pay such extra charges, would normally have to get the value of their import licences enhanced. In order to save time and work all-round in amending the values of licences in such cases, it has been decided that any excess freight over the C.I.F. value of the licences, on account of the increase in the freight rate, would be condoned by the Customs authorities. The licensees will not be required to produce their licences to the licensing authorities for amendment and the Customs authorities will allow clearance on production of documentary evidence to the effect that the excess over the value mentioned in the licences is due to increase in the freight rate occasioned by the closure of the Suez Canal.
